3.1 You are the Account Holder or the Account Holder's agent

This is an agreement between XOOM Energy and you, the customer, under which you shall begin enrollment with XOOM Energy to initiate electricity service. Subject to the terms and conditions of this Contract, XOOM Energy agrees to sell, and you agree to purchase and accept the quantity of electricity, as estimated by XOOM Energy, necessary to meet your requirements based upon consumption data obtained by XOOM Energy or the delivery schedule of the Electricity Utility.

You have told us that you are at least eighteen (18) years of age and:

- a. you are the Account Holder for the Business; or
- b. the Account Holder has given you permission to enter into this Contract to supply electricity to the Business.

3.2 Enrolling you as a New Customer

Before we provide electricity for the Business, we have to take two steps.

Step one: We must enroll you as a new customer. You agree to provide us with and authorize us to receive from third parties reasonable financial and credit information or a standard credit check, if we request it.

Step two: We will ask your Electricity Utility to switch you to the Contract Price for the electricity used in the Business. This switch is a change to the supply arrangement information on your Electricity Utility account, and will not interrupt electricity service to the Business.

You agree that we can act as your agent for the purpose of asking your Electricity Utility to switch you to the Contract Price and for the purposes of arranging for the supply of electricity used in the Business and managing this Contract. You also agree that your Electricity Utility can give us, or an authorized representative of XOOM Energy, information about the electricity account for the Business that we need in order to enroll you and to manage this Contract, including your account name and number, rate classification, information relating to your historical and current electricity usage, meter readings, billing and payment history, and any other information relating to characteristics of electricity service.

You further acknowledge that XOOM Energy has full authority to make all rates and tariff selections necessary to meet its obligations under this Contract. You may rescind this authorization at any time by contacting XOOM Energy.

XOOM Energy will not give or sell such information to any other party without your consent unless XOOM Energy is required to do so by law or it is necessary to enforce the terms of this Contract. Execution of this Contract shall constitute authorization for the release of this information to XOOM Energy.

This Contract is subject to your acceptance into the program by XOOM Energy and the Electricity Utility. You will be promptly notified if you are not accepted into the program. Before we supply you with electricity and services, the following conditions are required for acceptance into the program:

- a. the Electricity Utility must enroll your Business with XOOM Energy designated as your retailer; and
- b. this Contract must be verified with you or your agent through a verification process in accordance with requirements of the *Energy Consumer Protection Act*.

3.4 Start Date of Supply

We will start supplying electricity to the Business under this Contract after your Electricity Utility has finished switching you to the Contract Price.

Normally, we will start supplying the Business under this Contract within 60 days from when the Electricity Utility finishes switching

OAKECIZ00200029900000001

you to the Contract Price.

We do not control how fast your Electricity Utility will do the switch. Some of the reasons why it can take longer for us to start supplying your electricity are:

- a. Mistakes in the information that we have about you;
- b. If your Electricity Utility does not tell us they have done the switch; or
- c. If your Electricity Utility takes longer than usual to do the switch for any other reason that we cannot control.

3.5 Billing

Your Electricity Utility will continue to deliver electricity to the Business. They will also continue to read your electricity meter. Your Electricity Utility will also normally continue to bill you on our behalf for electricity supplied to the Business under this Contract. Your electricity bills will be sent to you in accordance with your Electricity Utility’s usual requirements and schedules for things like billing and payment dates and security deposits.

We reserve the right to bill you directly.

Section 4 Contract Price and other energy costs you will continue to Pay

Section 5 Ending the Contract

5.1 You can change your mind about this Contract

The *Energy Consumer Protection Act* says that you have 10 days to change your mind about this Contract. This is called the “cooling off” period. It starts when you enter into this Contract. If you tell us that you have changed your mind in those 10 days, this Contract will end. You will not have to pay any Cancellation Fee. And if you paid us any money under the Contract, we have to give you a full refund.

To cancel your acceptance of this Contract at any time within the “cooling off” period, please call XOOM Energy’s Customer Care Center at 1-866-999-8483, write to us at XOOM Energy ONT, ULC 11208 Statesville Road, Suite 200, Huntersville, NC 28078 or

OAKECIZ00200029900000001

email us at customercare@xoomenergy.ca.

5.2 You can end this Contract if...

The *Energy Consumer Protection Act* says that you can end or “cancel” this Contract for different reasons if you want to.

You can end this Contract up to 30 days after you receive the second bill that is charging you the Contract Price. You will not have to pay any Cancellation Fees. But you have to pay those bills.

You can also end this Contract for any of the 7 reasons below. You will not have to pay any Cancellation Fees.

1. If the Business moves to a different location
2. If this Contract does not meet the rules in the *Energy Consumer Protection Act* or the rules set by the Ontario Energy Board.
3. If we did something that the *Energy Consumer Protection Act* says is an unfair practice. Some of the unfair practices are:
 - a. If we said something that is not true or that can mislead you;
 - b. If you are not the Account Holder or the Account Holder's agent;
 - c. If we did not follow the Ontario Energy Board's consumer protection rules; or
 - d. If another marketing contract exists for the supply of electricity to your Business (except where the existing marketing contract is to expire on or before the start of this Contract).
4. If you already had a contract with another energy retailer when you entered into this Contract. This right to end this Contract only exists until the day the other contract ends.
5. If the *Energy Consumer Protection Act* says that we have to record a telephone call or an internet transaction that we or someone acting for us have with you, and we do not give you a copy within 10 days after you ask for it.
6. If this Contract is changed, renewed or extended at a time when we have not given the Ontario Energy Board information that we must give them each year.
7. If we automatically renew or extended this Contract.

The *Energy Consumer Protection Act* also says that you can end this Contract at any other time for no reason. You have to give us 10 days' notice that you want to end this Contract for no reason. In this case, we can charge you a Cancellation Fee (see **Section 5.3**).

Nothing in this Contract can take away or change any of the rights to end the Contract that the *Energy Consumer Protection Act* gives you.

5.3 Cancellation Fees

There is no Cancellation Fee associated with this Contract.

5.4 We can end this Contract if...

We can end this Contract, or the applicable portion of this Contract, at our discretion and without penalty immediately upon notice to you if:

- a. do not pay your electricity bill in full by the due date on your bill; or
- b. do anything that prevents us from supplying you with Energy or services.

We may terminate this Contract or the applicable portion of this Contract at our direction and without penalty for any other reason on 30 days notice unless you have a fixed Contract Price. In that case, we will honour the fixed Contract Price for the Contract Length,

OAKECIZ00200029900000001

provided that you continue to meet the conditions of this Contract and subject to our other rights of cancellation listed in this section.
